

Andrew Gay

Counsel

202 775 1211

agay@sullivanlaw.com

Andrew advises startup and growth-stage companies on a wide range of corporate and venture capital matters at every stage of development. In addition, he counsels venture capital investors on convertible note, SAFE and equity financing transactions. Andrew has represented companies across the technology sector, including consumer internet, software, telecommunications and entertainment technology businesses, with significant experience in corporate governance, capital raising and M&A transactions.
