

Ellen Shamansky

Associate

617 338 2803

eshamansky@sullivanlaw.com

Ellen advises clients on patent prosecution and intellectual property strategy, with a particular focus on the life sciences and biotechnology sectors. Her experience includes drafting and prosecuting U.S. and international patent applications, managing global patent portfolios, conducting freedom-to-operate analyses and preparing and negotiating IP-related agreements.

Prior to joining Sullivan, Ellen was an associate at several other law firms in Massachusetts, where she advised biotechnology companies in areas including gene editing, cell therapies, RNA, antibodies, CAR-T cells and other emerging life sciences platforms.
