

Michael A. Isotti

Director of Practice Support

617 338 2875

misotti@sullivanlaw.com

Michael provides litigation support services, paralegal management and support to the firm's practice groups. Michael's role in litigation support allows him to work on a variety of matters, providing support to attorneys and clients to successfully navigate through discovery and trial of all sizes and complexities. Additionally, He provides management of the firm's paralegals across practice groups and offices. In support of the firm's goals, Michael advocates for and assists in the training, development and utilization of the firm's paralegals.

As part of his practice support role, Michael collaborates between the firm's IT department and practice groups to promote the use and benefit of different software applications, workflows and efficiencies to aid in increasing productivity of attorneys and staff. As part of this collaboration, Michael carries out strategic firm initiatives, builds relationships, engages in the selection and promotion of new software service offerings and trainings to the firm attorneys and staff.

Michael is a graduate of Merrimack College in North Andover Massachusetts and has a paralegal certificate from Stonehill College in Easton, Massachusetts.
