tlevi@sullivanlaw.co.il

Tehila has considerable experience in relation to Chinese and Israeli law, as well as a deep understanding of the Chinese (Mandarin) language and culture. She has over 15 years' experience in the Chinese market, managing the legal services provided to both Israeli companies doing business in China, and Chinese companies doing business in Israel. She also advises Chinese companies and investors in connection with their activities in Israel, as well as offers close professional support to Chinese companies in litigation proceedings in Israel.

In China, Tehila focuses on the establishment of companies, consulting and accompanying the negotiations in joint ventures in China, China-Israel cross-border transactions, Chinese foreign direct investment, international projects and investment, M&A, commercialization of technologies and general corporate counseling. She has broad experience in counseling Israeli, U.S., and global companies through all stages of M&A transactions, including due diligence in China, and routinely provides legal services to companies in the high-tech, technology, and life sciences sectors.

Tehila lectures before various forums in Israel and in China (including some of the top academic institutions) on the legal aspects of doing business in China, Chinese investments in Israel, doing business in Israel, and Israeli technology and innovation.
