

Thomas K. Monks

Chief Information Officer

617 338 2442

tmonks@sullivanlaw.com

Tom is the Chief Information Officer of Sullivan & Worcester. He joined the firm in July 2011 as IT Manager and was promoted to CIO in January 2022, and is responsible for strategic planning for its information technology.

Previously, Tom was Manager of Information Technology at Holland & Knight in Boston. Tom had been with Holland since 2001, and was responsible for the planning, implementation and maintenance of automated systems for the firm's Boston and Providence offices. Tom has been a member of the International Legal Technology Association for over 20 years. He was also active on committees with the Association of Legal Administrators.
